I am directed to acknowledge the receipt of your letter dated 7th July 1922 proposing a revision of the allotments made for the sevas to be conducted at Yedatore, under G.O.No.2767-9/Muz.755-08-10 dated 25th April 1911 accepting an endowment of Rs.4000/- made by you; and to state that the period of 5 years for which interest at 5% was allowed on the cash endowment of Rs.2000/- made by you expires by the end of the current month and the question whether interest would continue to be paid at the same rate or not has not yet been decided. I am therefore to state that till that is decided the revision proposed by you cannot be ^{considered} ~~sanctioned~~. In the absence of orders to the contrary it will be presumed that only 4% will be allowed from 1st August 1922 and any revision suggested by you on this basis will ^{Receive no consideration} ~~be considered~~.

B A N G A L O R E.

I beg to acknowledge your kind letter No. 445/Muz.19-22-2 of 28th July 1922 and in reply I beg to ^{be intimate} ~~state~~ what action is being taken to get Government sanction to continue to allow 5% interest alone on the cash endowment of Rs.2,000/- I have endowed.

If it is in any way difficult to grant the prayer,,I beg you will kindly get me Government permission to withdraw this amount and in its place deposit 6½% Mysore Loan bonds for Rs2,000/- I have taken 6½% loan bonds. of about Rs8000/- By doing so I will be getting every year Rs35 more than what I have been getting now and it will enable me to spend a larger amount on these sevas every year.

At the time(30 years hence) when the loan amount of Rs2000/- is going to be returned, it may be deposited in the Government Savings Bank at the current rate of interest which would prevail then.
